(3) If the lessee knows that the odometer reading differs from the mileage and that the difference is greater than that caused by odometer calibration error, he shall include a statement that the odometer reading is not the actual mileage and should not be relied upon.

(d) If the lessor transfers the leased vehicle without obtaining possession of it, the lessor may indicate on the title the mileage disclosed by the lessee under paragraph (b) and (c) of this section, unless the lessor has reason to believe that the disclosure by the lessee does not reflect the actual mileage of the vehicle.
